

ASSEMBLY & DISASSEMBLY OF THE LENSES

Instruction Manual

_HOW TO TAKE THE LENSES OUT

. 1

_Take the **Nina's** facing up,
towards you.

. 2

_Gently press the lens in the
very corner of the temple.
* **From outside > to inside.**
(The opposite as with acetate)

PUSH !

(with love)

. 3

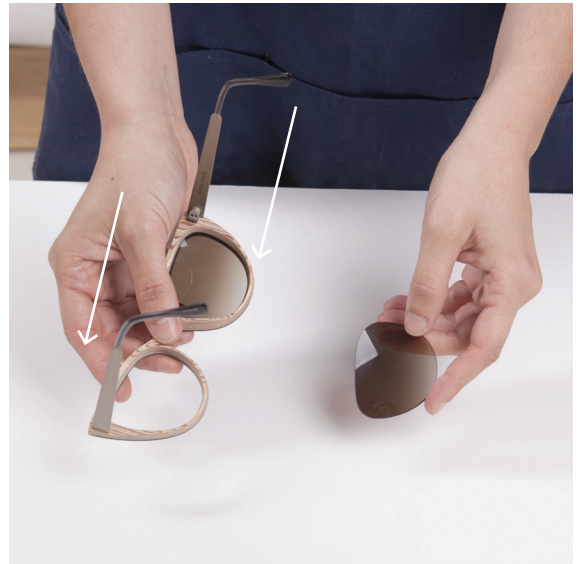

_Let the lens drop softly.

_HOW TO ASSEMBLE THE LENSES

. 1

_Take the **Nina's** facing downward.

. 2

_Fit perfectly the lens into the bezel **on the bridge** side of the frame.

. 3

_Continue fitting the lens gradually around the bezel **until getting the opposite corner.**
(temple corner of the frame)

_MONTAJE

PRESS !

(with love)

. 4

_Hold firmly the frame and
put pressure on the corner
lens until you hear **Click !**

. 5

_Make the same process for
the other side and **VOILÀ!**
Your **Nina's** are now ready.

. *Considerations*

- _Press always **from outside to inside**.
- _Highly recommended not to push on the center of the lens. Always **on the corner**.
